TRADITIONS GOLF COURSE

Masterfully designed by John Van Klee in 1937, Traditions 4-Star 18-hole championship golf course is set on rolling hills along a wooded glen with magnificent views overlooking the Susquehanna River.

Tree lined fairways and meticulously groomed greens make our course a favorite among local players, golf members and visitors to the Greater Binghamton area.

Warm up on our practice range and putting greens and check out our stocked pro shop with only the finest in golf merchandise.

Visit our PGA Class A Director of Golf, Naomi Nesenoff, for a swing tune up, and finish the day at Bogeys Bar and Grill or at The Spa with a signature Golfer's Massage.

GOLF TOURNAMENTS

Smaller groups may opt for other event spaces including our Ballroom or Valley View Tent. Our Professional staff is available to help you plan every detail of your event. From a family reunion to a networking conference, our staff will help you coordinate teams, organize contests, choose breakfast or barbecue menu packages and program the ultimate golf and resort experience.
